Superintendent Goals update

this is a rotating committee

present: Shirley (chair), Steve, Moni, and Jim.

1. Mr. Cracraft will work Closely With IDI and Wolgast companies to develop a facilities study and recommendation to the Board by May, 2020 regarding needs and wants and the potential for pursuing a millage or extending the current bonds issued. If the BOE approves the goal would be to go out for a bond in May or August of 2021 (see below possible time line developed by IDI and Wolgast)

PROGRESS ON GOAL

Board Workshop to review May 27, 2020 with IDI-Virtual

Board Workshop to review June 1, 2020 with Building Leaders- Virtual.

Multiple phone calls with Dave Moore and Joe Powers

Multiple Phone Calls with Board President

2. Mr. Cracraft will continue to develop and train new administrators and directors as a collaborative team to further the mission and vision for the Clinton Community Schools. This will be done with active participation in the Transformation Zone Partnership with the MDE and LISD. Examples of progress will be defined by results of implementation initiatives (New k-8 Math curriculum, PRIDE) and results of data from initiative implementation and outcomes.

Progress on Goal

Monthly DIT and Bit Meetings

March, April, May, and June Administrative Meetings

Admin Evaluations in progress

Building schedules, Staffing, and course development in progress

3. Mr. Cracraft will successfully negotiate and renewal contracts and openers for the 2019-2020 year.

Progress On goal

Negotiations with all groups are completed and settled. Time Line reflect this was done in advance of all deadlines and reflect good faith and interest based techniques. CESPALOU will go to board tonight

4. (Added March 2020)-Mr. Cracraft will effectively communicate with the BOE, and manage all of the districts interests and compliance during the Covid-19 pandemic. Mr. Cracraft will successfully implement Pandemic Guidelines and follow and manage all directives and executive orders from the MDE, Governor's Office, CDC, and Lenawee Department of health. While the BOE recognizes this is an unprecedented event, they also expect the Superintendent to lead accordingly and to keep all Board of Education members actively informed.

Progress on Goal:

Weekly meeting with LCSA and following the MASA and MDE guidelines for opening as well as planning for 20-21. Graduation plans are set for next Saturday. Athletic as clear to practice starting June 15, 2020. Determining budgetary impact of COVID-19 and alternative schedules will be summer work.
